Cwmbran Centre - 2017/18 Green Travel Plan

Our Aim

- To encourage travel to Cwmbran Town Centre by all sustainable methods, by sharing our commitment with the community to minimise our impact on the environment whilst offering attractive travel alternatives to all.

Our Objectives

1. Increase both visitor and employee awareness of the sustainable travel methods available to and from the centre.
2. Establish partnerships with the local authority, transport operators and businesses to develop sustainable travel.
3. Decrease both visitor and employee dependency on single occupancy car use.
4. Continue to develop our on site facilities to enable sustainable transport for employees and visitors that travel to and from the centre.
5. Develop our networks to encourage more people to walk and cycle to our centre.

Our Action Plan

1. Continue to work with local transport providers
2. Install further cycle parks and facilities.
3. To analyse data from future travel surveys carried out on the centre that will assist in the development of our future sustainable travel plan strategy.
4. To improve information available on sustainable transport methods.

Our Transport Facilities
